Independent Auditor's Report

To the Members of Council, Inhabitants and Ratepayers of the Corporation of The Township of North Dumfries

Opinion

We have audited the financial statements of the Corporation of The Township of North Dumfries (the Township), which comprise the statement of financial position as at December 31, 2020, and the statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Township as at December 31, 2020, and its results of operations, its change in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Township in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Township's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Township or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Township's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Township's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Township to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Township to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Management Responsibility The management of the Corporation of The Township of North Dumfries has prepared and is responsible for the integrity, objectivity and accuracy of the financial information presented in the financial statements. Council reviews and approves the financial statements.

Basis of Accounting The financial statements have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada as prescribed by the Ministry of Municipal Affairs and Housing.

Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

Accounting for Government Business Enterprises Government

Government business enterprises are separate legal entities which do not rely on the municipality for funding. Investments in government business enterprises are accounted for using the modified equity method.

Under this method, the government business enterprise's accounting policies, which follow Canadian generally accepted accounting principles for publicly accountable enterprises, are not adjusted to conform with Public Sector Accounting Standards and inter-entity transactions and balances are not eliminated.

The following government business enterprise is reflected in the consolidated financial statements:

Cambridge and North Dumfries Energy Plus Inc. 7.89%

December 31, 2020

Post-Employment Benefits	The contributions to the Ontario Municipal Employees Retirement System ("OMERS"), a multi-employer defined benefit plan are expensed when contributions are due.
	The municipality provides post-employment health, dental and life insurance benefits to eligible retired employees. The costs of post-employment future benefits are actuarially determined using management's best estimate of health care costs, disability recovery rates and discount rates. Actuarial gains and losses are amortized on a straight-line basis over the expected average remaining service life of the employee groups.
Trust Funds	Funds held in trust by the municipality, and their related operations, are not included in these financial statements. The financial activity and position of the trust funds are reported separately on the trust funds statement of continuity and balance sheet.
Liability for Contaminated Sites	A contaminated site is a site at which substances occur in concentrations that exceed the maximum acceptable amounts under an environmental standard. Sites that are currently in productive use are only considered a contaminated site if an unexpected event results in contamination. A liability for remediation of contaminated sites is recognized when the organization is directly responsible or accepts responsibility; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability includes all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring. The liability is recorded net of any expected recoveries. Management has not identified any contaminated sites for which a liability needs to be recognized.
Region and School Board	The municipality collects taxation revenue on behalf of the school boards and the Region of Waterloo. The taxation, other revenues, expenses, assets and liabilities with respect to the operations of the school boards and the Region of Waterloo are not reflected in these financial statements.

December 31, 2020

Revenue Recognition	Revenues are recognized as follows:
	a) Taxes are recorded as estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. Taxes receivable are recognized net of an allowance for anticipated uncollectable amounts.
	b) Fees and user charges are recognized when the related service is provided.
	c) Other income is recorded upon sale of goods or provision of service when collection is reasonably assured.
	d) Investment income earned on surplus funds (other than obligatory reserve funds) are reported as revenue in the period earned. Investment income earned on obligatory reserve funds is recorded directly to each obligatory reserve fund balance.
	e) Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer stipulations as the stipulation liabilities are settled.

December 31, 2020

1. Long-Term Investments

	2020	2019
Investment in Energy Plus Inc. Investment in common shares (7.89%) Note receivable due on demand, interest at 4.993% Share of net income	\$ 3,221,948 3,019,708 4,848,027	\$ 3,221,948 3,019,708 4,679,633
	\$11,089,683	\$ 10,921,289

The following summarizes the financial position and operations of the government business enterprise which has been reported in these financial statements using the modified equity method:

Energy Plus Inc.

Energy Plus Inc. is a corporation incorporated under the laws of the Province of Ontario and provides municipal electrical services. The Corporation of The Township of North Dumfries owns 7.9% of the outstanding shares of Energy Plus Inc. The condensed supplementary financial information is as follows:

	2020 2019
Assets	\$ 276,720,000 \$ 245,670,000
Liabilities Shareholders' equity	\$185,511,000 \$153,862,000 91,209,000 91,808,000
	\$ 276,720,000 \$ 245,670,000
Revenues Expenses	\$256,388,000 \$234,183,000 249,004,000 226,851,000
Net income for the year	\$ 7,384,000 \$ 7,332,000
Dividends paid during the year	\$ 3,192,000 \$ 3,425,000

The condensed supplementary financial information included above is based on the last available audited statement for the year ended December 31, 2020.

During the year, the Township collected \$150,774 (2019 - \$150,774) in interest and dividends of \$252,173 (2019 - \$270,538) from the government business enterprise.

December 31, 2020

2. Post-employment Benefits

The Township of North Dumfries provides post employment benefits to employees voluntarily electing retirement before the age of sixty-five. The Township provides an Extended Health Care Plan and a Dental plan to retirees who have at least fifteen years of service and had commenced employment within fifteen years of their normal retirement date. The Township also offers life insurance coverage up to two times salary at retirement. Payments for these benefits totalled \$31,700 (2019 - \$31,200).

	 2020	2019
Retirement benefits Unamortized actuarial loss	\$ 365,200 (43,500)	\$ 357,800 (48,400)
Post-employment benefits	\$ 321,700	\$ 309,400

Actuarial valuations for accounting purposes are performed using the projected benefit method. The most recent actuarial report was prepared as at December 31, 2018.

The Township has not made allocations to fund these liabilities at this time and future expenditures are anticipated to be recovered from tax billings. The actuarial valuations were based on a number of assumptions about future events such as inflation rates, interest rates, medical inflation rates, wage and salary increases and employee turnover and mortality. The assumptions used reflect the Township's best estimates.

Discount rate	3.4% per year
Dental premium rates	4.0% per year
Health care premium rates	4.0% per year
Future salaries	Escalate at 3.0% per year
Future inflation rate	3.0% per year

The total expenses related to retirement benefits other than pensions include the following components:

	 2020	2019
Current period benefit cost Amortization of actuarial loss	\$ 26,600 \$ 4,900	25,700 4,900
Retirement benefit expense Interest costs	 31,500 12,500	30,600 12,300
	\$ 44,000 \$	42,900

December 31, 2020

3. Long-term Liabilities

The balance of long-term liabilities reported on the statement of financial position is made up of the following:

	 2020	2019
Debenture payable, Region of Waterloo, interest rate of 4.5%, repayable in variable annual instalments (2020 - \$6,664, 2019 - \$6,377), due November 2023.	\$ 21,846	\$ 28,511
Debenture payable, Region of Waterloo, variable interest increasing annually from 1.0% to 4.95%, repayable in variable annual instalments (2020 - \$202,000, 2019 - \$193,000), due December 2024.	906,000	1,108,000
	\$ 927,846	\$ 1,136,511

Principal payments for the next four fiscal years are as follows:

2021 2022	\$ 217,964 228,278
2023	238,605
2024	 243,000
	\$ 927,846

The interest paid and expensed relating to the above long-term debt was \$54,757.

4. Cash

Included in cash are externally restricted funds of \$2,277,591 (2019 - \$2,355,268).

The Township's bank accounts are all held at one financial institution. The Canadian Deposit Insurance Corporation insures deposits up to \$100,000 per depositor. The Township has undrawn credit of \$2,500,000 by way of a revolving demand facility. Interest is calculated on this facility at the bank's prime rate minus 0.5%.

December 31, 2020

6. Pension Agreements

The municipality makes contributions to OMERS, which is a multi-employer plan, on behalf of 31 members of its staff. This plan is a defined benefit plan which specifies the amount of the retirement to be received by the employees based on the length of service and rates of pay. Employees and employers contribute jointly to the plan. The employer amount contributed to OMERS for 2020 by the Township was \$211,851 (2019 - \$201,104). The contribution rate for 2020 was 9.0% to 15.8% depending on age and income level (2019 - 9.0% to 15.8%).

OMERS is a multi-employer plan, therefore, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the municipality does not recognize any share of the OMERS pension surplus or deficit. The last available report for the OMERS plan was December 31, 2020. The plan reported a \$3.2 billion actuarial deficit (2019 - \$3.4 billion deficit) at that time, based on actuarial liabilities of \$111.8 billion (2019 - \$104.4 billion) and actuarial assets of \$108.6 billion (2019 - \$103 billion). Ongoing adequacy of the current contribution rates will need to be monitored as fluctuations in the financial markets may lead to increased future funding requirements.

7. Accumulated Surplus

Accumulated surplus consists of individual fund surplus and reserves as follows:

	2020	2019
Invested in tangible capital assets Tangible capital assets at cost less amortization Capital assets financed by long-term liabilities and to be funded in future years	\$33,725,855 (927,846)	\$ 34,580,290 (1,136,511)

9. Budgets

Under Canadian public sector accounting principles, budget amounts are to be reported on the consolidated statement of operations and accumulated surplus and changes in net debt for comparative purposes. The budget was prepared on a modified accrual basis while Public Sector Accounting Standards now require a full accrual basis. The following is a reconciliation of the budget approved by Council.

	2020 Budget	2020 Actual	2019 Actual
Annual surplus (Page 5)	\$ 4,581,981	\$ 1,274,223	\$ 681,102

12. Trust Funds

The trust funds administered by the Township amounting to \$200,319 (2019 - \$202,617) have not been included in the statements of financial position nor have the operations been included in the statement of operations and accumulated surplus.

13. Contingencies

- (a) The Township has been served with statements of claims as a result of slip and fall accidents and other claims. The likelihood of the success of these actions is undeterminable at this time. The Township is not aware of any possible settlements in excess of its liability insurance coverage.
- (b) The Township has been served with a claim in connection with construction on a property and denial of a building permit. The likelihood of the success of this action is undeterminable at this time, as such no provision has been made in the financial statements in regards to this claim.

December 31, 2020

14. Operations of School Boards and the Region of Waterloo

During the year, the following taxation revenue was raised and remitted to the school boards and the Region of Waterloo:

	2020	2019
School boards Region of Waterloo	\$ 7,482,888 12,488,262	\$7,384,595 11,880,499
	\$19,971,150	\$ 19,265,094

15. Uncertainty due to COVID-19

The impact of COVID-19 in Canada and on the global economy increased significantly. As the impacts of COVID-19 continue, there could be further impact on the Township, its citizens, employees, suppliers and other third party business associates that could impact the timing and amounts realized on the Township's assets and future ability to deliver services and projects. At this time, the full potential impact of COVID-19 on the Township is not known. Given the dynamic nature of these circumstances and the duration of disruption, the related financial impact cannot be reasonably estimated at this time. The Township's ability to continue delivering non-essential services and employ related staff will depend on the legislative mandates from the various levels of government. The Township will continue to focus on collecting receivables, managing expenditures, and leveraging existing reserves and available credit facilities to ensure it is able to continue providing essential services to its citizens.

December 31, 2020

16. Segmented Information

The Township of North Dumfries is a diversified municipal government institution that provides a wide range of services to its citizens such as recreational and cultural services, planning and development, protective services, and transportation services. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and the activities they encompass are as follows:

General Government

This item relates to the general operations of the municipality itself and cannot be directly attributed to a specific segment.

Protection Services

Protection is comprised of fire protection, maintenance and enforcement of building and construction codes and bylaw enforcement. The fire department is responsible for providing fire suppression services, fire prevention programs, training and education. The by-law enforcement department works to ensure that citizens and their property are protected by ensuring the Township's bylaws are being adhered to.

Transportation

Transportation is responsible for providing the municipality with road maintenance, winter control services, street light maintenance, parking lots and equipment maintenance.

Environmental Services

Environmental services is responsible for the regional cost of water and sewer as well as other local improvement.

Recreational and Cultural Services

This service area provides public services that contribute to the provision of recreation and leisure services and the maintenance of parks and open space.

Planning and Development

This department provides a number of services including Township planning, and review of all property development plans through its application process.

The accounting policies of the segments are the same as those described in the summary of significant accounting policies. Amounts that are directly attributable to a number of segments have been allocated on a reasonable basis as follows:

Taxation and payments-in-lieu	Allocated to those segments that are funded by these amounts based on the budget for the year.
OMPF Grants	Allocated to segments based on the budget for the year.

Independent Auditor's Report

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Township of North Dumfries

Opinion

We have audited the accompanying financial information for the Corporation of the Township of North Dumfries Trust Funds ("Trust Funds"), which comprise the balance sheet as at December 31, 2020, and the statement of continuity for the year then ended, and notes to the financial information, including a summary of significant accounting policies.

In our opinion, the financial information presents fairly, in all material respects, the balance sheet for the Trust Funds as at December 31, 2020, and the statement of continuity for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Information section of our report. We are independent of the Trust Funds in accordance with the ethical requirements that are relevant to our audit of the financial information in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Information

Management is responsible for the preparation and fair presentation of this financial information in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial information that is free from material misstatement, whether due to fraud or error.

In preparing the financial information, management is responsible for assessing the Trust Funds' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust Funds or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust Funds' financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Information

Our objectives are to obtain reasonable assurance about whether the financial information as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust Funds' internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust Funds' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust Funds to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial information, including the disclosures, and whether the financial information represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying summary of significant accounting policies and notes are an integral part of these financial statements.

The Corporation of the The Township of North Dumfries Trust Funds Summary of Significant Accounting Policies December 31, 2020

Management Responsibility The management of the Corporation of the Township of North Dumfries Trust Funds has prepared and is responsible for the integrity, objectivity and accuracy of the financial information. The Council reviews and approves the financial information.

Basis of Accounting The financial information has been prepared in accordance with Canadian public sector accounting standards as established by the Public Sector Accounting Board of Chartered Professional Accountants of Canada as prescribed by the Ministry of Municipal Affairs and Housing.

Sources of financing and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

- Use of Estimates The preparation of the financial information in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial information, and the reported amounts of revenues and expenses during the reporting period. Estimates are used when accounting for items such as accrued liabilities. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future.
- Basis of Consolidation These trust funds have not been consolidated with the consolidated financial statements of the municipality.
- Investments Investments are recorded at cost unless there has been a decline in the market value which is other than temporary in nature in which case the investments are written down to market value.

The Corporation of the The Township of North Dumfries Trust Funds Notes to Financial Information

December 31, 2020

1. Investments

The investments are held in Universe Corp Bond funds with ONE Investments. The total investments of \$190,626 (2019 - \$184,281) reported on the balance sheet at cost have a market value of \$192,591 (2019 - \$179,083) at the end of the year.
