

**THE CORPORATION OF THE TOWNSHIP OF NORTH DUMFRIES
BY-LAW NUMBER 2909-17**

Being a By-law of the Corporation of the Township of North Dumfries
requiring an emergency management program for the protection of public
safety, health, the environment, the critical infrastructure and property,
and to promote economic stability and a disaster-resilient community
and to repeal By-law 2133-05

WHERE AS the Province of Ontario has passed the *Emergency Management and Civil Protection Act, R.S.O., 1990, Chapter E.9*, as amended (The "Act") an Act which requires the development and implementation of an emergency management program (short title – *The Emergency Management Act*) by the Council of a municipality;

AND WHERE AS the Act requires the emergency management program to conform to standards promulgated by Emergency Management Ontario in accordance with international best practices, including the four core components of emergency management, namely: mitigation/prevention, preparedness, response and recovery; and also makes provision for the municipality and council to develop and implement an emergency management program to protect public safety, public health, the environment, the critical infrastructure and property and to promote economic stability and a disaster-resilient community;

AND WHERE AS the Act makes provision for the Head of Council to declare that an emergency exists in the community or in any part thereof and also provides the Head of Council with authority to take such action or make such orders and he/she considers necessary and not contrary to law, to implement the emergency response plan and respond to an emergency;

AND WHERE AS the Act provides for the designation of one or more members of council who may exercise the powers and perform the duties of the Head of Council during his/her absence or his/her inability to act;

AND WHERE AS the Act authorizes employees of a community to respond to an emergency in accordance with the emergency response plan where an emergency exists but has not yet been declared to exist;

AND WHERE AS the Act requires every municipality shall have an emergency management program committee. The committee shall be composed of the Community Emergency Management Coordinator (CEMC), senior municipal official, such members of council as may be appointed by Council, municipal employees who are responsible for emergency management functions and may include other persons representing organizations and industry. The council shall appoint one of the members of the program committee to be the chair of the committee. (EMCP Act, Ontario Regulation 380/04 11(1)(2).

AND WHERE AS the Act provides that the municipality has a right of action to recover monies expended or costs incurred in the implementation of an emergency plan or in connection with an emergency against the person who caused the emergency, and;

NOW THEREFORE BE IT RESOLVED THAT the Council of The Corporation of the Township of North Dumfries enacts as follows:

1. THAT an Emergency Management Program be developed and implemented in accordance with the standards published by Emergency Management Ontario in accordance with international best practices.
2. THAT the positions outlined in Emergency Management Program Committee (EMPC) Terms of Reference (Appendix B) are hereby appointed as the EMPC members.

By-law No. 2909-17

3. THAT the Chief Administrative Officer (or designate) and CEMC (or designate) co-chair the Emergency Management Program Committee.
4. THAT the Emergency Management Program Committee will cause the emergency management program to be reviewed annually, ensure training to employees on their functions and to recommend changes to the program as considered appropriate and refer recommendations to Council for further review and approval.
5. THAT the Chief Administrative Officer, Treasurer / Director of Corporate Services, Director of Community Services, Fire Chief/CEMC are hereby appointed as the Emergency Operations Centre Management Team (EOCMT).
6. THAT the Head of Council or designated alternate, as provided in the plan, be empowered to declare an emergency.
7. THAT certain appointed officials or their designated alternates, as provided in the approved community emergency response plan are empowered to cause an emergency notification to be issued to members of the EOCMT and to respond to an emergency in accordance with the Emergency Response Plan where an emergency exists but has not yet been declared to exist.
8. THAT Council authorizes staff to make administrative changes to the plan including changes due to personnel changes, organizational changes, contact information, phone numbers and other administrative matters.
9. THAT the Fire Chief (or designate) is hereby appointed as the Community Emergency Management Coordinator (CEMC) for The Corporation of the Township of North Dumfries.
10. THAT the Treasurer / Director of Corporate Services (or designate) is hereby appointed as the Emergency Information Officer (EIO) for The Corporation of the Township of North Dumfries.
11. THAT the Chief Administrative Officer (or designate) is hereby appointed as the Emergency Operations Centre Commander (EOC Commander) for The Corporation of the Township of North Dumfries.
12. THAT the Emergency Response Plan attached hereto as Schedule "A" of this By-law is hereby adopted.
13. THAT the Emergency Management Program Committee Terms of Reference attached hereto Schedule "B" of this By-law is hereby adopted.
14. THAT the By-law 2133-05 is hereby repealed.
15. THAT this By-Law shall come into full force and effect on the date of final passing thereof.

READ A FIRST AND SECOND TIME THIS 11th DAY OF DECEMBER, 2017.

READ A THIRD TIME AND FINALLY PASSED THIS 11th DAY OF DECEMBER, 2017.

Susan Foxton, Mayor

Ashley Sage, Clerk

The TOWNSHIP of
NORTH DUMFRIES

TOWNSHIP OF NORTH DUMFRIES EMERGENCY RESPONSE PLAN

1. Introduction

The Township of North Dumfries Emergency Response Plan establishes a framework for responding to a number of risks the Township faces. Developed with key officials, agencies and departments, it is a guideline that outlines collective and individual roles and responsibilities in responding to and recovering from an emergency.

The Emergency Response Plan document describes the framework of how the Township of North Dumfries will respond to, recover from and mitigate the impact of an emergency. It describes the legal authorities, concept of operations and functional roles and responsibilities.

1.1. Purpose

The purpose of the Township of North Dumfries Emergency Response Plan during an emergency is to facilitate the effective co-ordination of human and physical resources, services and activities necessary to:

- a) Protect and preserve life and property;
- b) Minimize and/or mitigate the effects of the emergency on the residents and physical infrastructure of the Township of North Dumfries; and
- c) Quickly and efficiently enable the recovery and restoration of normal services.

It also makes provision for the efficient administration, coordination, and implementation of extraordinary arrangements and response measures taken by the Township of North Dumfries to protect the health, safety, and welfare of the residents of North Dumfries during any emergency by:

- a) Identifying the governance structure for emergency response within the Township of North Dumfries;
- b) Identifying roles and responsibilities required in mitigating, preparing for, responding to and recovering from emergencies and disasters;
- c) Identifying standard response goals for emergency response operations and decision making; and
- d) Providing for a coordinated response by the municipality and partner agencies in managing emergencies.

1.2. Aim

As per the Emergency Management and Civil Protection Act (EMPCA), the Township of North Dumfries has formulated an Emergency Response Plan (ERP) which is adopted by Council by By-law No. 2909-17

1.3. Public Access to the ERP

The Township of North Dumfries Emergency Response Plan is available on the Waterloo Region Emergency Management website (www.wrem.ca) and the Township of North Dumfries website (www.northdumfries.ca). The public may also request to access the plan through the Fire Chief/CEMC.

Supporting Plans do not form part of the ERP as they may be confidential and provide more detailed relevant information that may require frequent updating, be of a technical nature, or contain sensitive or personal information which could pose a security threat or violate privacy legislation if released.

1.4. Definition of an Emergency

Emergencies are distinct from the normal daily operations carried out by municipal first response agencies and Township departments.

The *Emergency Management and Civil Protection Act* defines an emergency as:

“A situation or impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by the forces of nature, a disease or other health risk, an accident or an act whether intentional or otherwise.”

1.5. Legal Authorities

The legislation under which the municipality and its employees are authorized to respond to an emergency are:

- The *Emergency Management and Civil Protection Act*, R. S. O. 1990, c.E.9, as amended (the “Act”)
- Ontario Regulation 380/04
- The Township of North Dumfries Emergency Management Program By-Law No. 2909-17

Schedule A By-law No. 2909-17
December 11th, 2017

The Act requires municipalities to develop, implement, and maintain an emergency management program, and adopt it with a by-law. An emergency management program must consist of:

- An emergency plan;
- Training programs and exercises for employees of municipalities and other persons with respect to the provision of required services and procedures to be followed in emergency response and recovery activities;
- Public education on risks to public safety and on public preparedness for emergencies; and
- Any other element required for municipalities in standards of emergency management programs that may be developed by the Minister of Community Safety and Correctional Services.

Ontario Regulation 380/04 describes emergency management standards for municipal emergency management programs. There are a number of required elements including:

- Development of an emergency response plan which includes a municipal control group to direct the municipal response to an emergency;
- Implementation of an Emergency Operations Centre (EOC) with appropriate communications systems;
- Designation of an Emergency Information Officer (EIO); and
- Designation of a Community Emergency Management Coordinator (CEMC).

The Township of North Dumfries Emergency Management Program By-Law approves the enactment of the Township of North Dumfries Emergency Response Plan and other requirements for the Township's Emergency Management Program.

The Senior Official for the purposes of the Township's Emergency Management Program Committee is the Fire Chief / CEMC, or designated alternate, and, the Township's Chief Administrative Officer, or designated alternate.

1.6. Council Approval

Where significant portions of the Township of North Dumfries ERP are revised, Council is required to adopt the plan by by-law.

1.7. Emergency Management Program Committee

The Emergency Management Program Committee (EMPC) as required by the Emergency Management and Civil Protection Act consists of representatives from Township departments and agencies, or designated alternates. The Fire Chief/CEMC and Chief Administrative Officer (CAO) co-chair the EMPC.

This committee reviews the emergency management program and plan annually, ensure training is provided to employees on their functions and recommend changes to the program as considered appropriate and refer recommendations to Council for further review and approval.

1.8. Municipal Emergency Control Group

In the event of an emergency, the membership as set out in By-law No. 2009-17 act as the Municipal Emergency Control Group as defined by Ontario Regulation 380/04 to oversee the Township's emergency's response.

1.9. Community Emergency Management Coordinator

The Fire Chief is appointed as the Community Emergency Management Coordinator (CEMC).

1.10. Emergency Operations Centre Commander

The Chief Administrative Officer is appointed as the Emergency Operations Centre Commander (EOC Commander)

1.11. Emergency Information Officer

The Treasurer / Director of Corporate Services (or designate) is appointed as the Emergency Information Officer (EIO).

1.12. Department and Support Agency Emergency Procedures

Each Department and Support Agency involved with this Plan shall prepare emergency response procedures or guidelines (i.e. Departmental Emergency Plan) outlining how it will fulfill its own internal responsibilities under this Plan during an emergency.

Each Department and Support Agency shall designate a member of its staff to review, revise and maintain its own emergency response procedures or guidelines on a periodic basis.

2. Hazard Identification and Risk Assessment (HIRA)

The Emergency Management Program has identified realistic hazards that may occur in North Dumfries and assessed them in terms of probability, frequency of occurrence, and magnitude of consequence or impact. Results of the HIRA assist with the development of training and exercise scenarios, and may initiate the development of hazard-specific plans or procedures in the event of an emergency.

As a result of the HIRA process, risks in the Township of North Dumfries listed below represent major incidents involving multiple locations or having a significant impact on Township facilities, infrastructure, operations, or the public.

- Floods
- Tornadoes
- Blizzards
- Epidemics
- Transportation accidents involving hazardous materials
- Air or rail crashes
- Toxic or flammable gas leaks
- Electric power blackouts
- Building or structural collapse
- Large scale uncontrollable fires
- Explosions

3. Concept of Operations

First responders and Township departments manage many emergencies that occur on a day-to-day basis. As the magnitude of an emergency increases, so will the requirement for additional support from within the Township. The Township may elect to call upon neighbouring municipalities and/or the Region of Waterloo to provide assistance. The Township may also call upon the Provincial government to provide supplemental financial and / or physical resources necessary to deal with the overall impacts of the public emergency.

The Township's Emergency Response Plan adopts the principles of the Incident Management System (IMS). The Incident Management System can be used in any size or type of emergency to manage response personnel, facilities and equipment. Incident Management System principles include the use of common terminology, modular organization, integrated communications, unified command structure, action planning, manageable span-of-control, pre-designated facilities and comprehensive resource management. The basic functional modules of the Incident Management System (Command, Operations, Planning, Logistics and Finance & Administration) can be expanded or contracted to meet requirements as an event progresses.

There are multiple response parts to any emergency situation within the Township of North Dumfries which are set out as follows:

3.1 Site Response

The emergency responders at the site or sites of the emergency provide tactical response to the emergency as they attempt to mitigate its effects and bring the emergency under control.

3.2 Corporate Response

The Emergency Operations Centre (EOC) is a physical location where the leadership of the Township of North Dumfries can gather to collectively and collaboratively support emergency response, and manage the consequences of an emergency. The EOC is utilized, where necessary, to centralize and coordinate efforts occurring at the site(s).

3.3 Policy Group

The Policy Group is comprised of the Head of Council (HOC) in their assigned role and authority during an emergency, or the Mayor and members of Council sitting as Township Council at any regular or special meeting called during an emergency situation.

Head of Council (HOC):

The Mayor or Acting Mayor is the HOC during an emergency. The HOC would have all the powers set out in the Act and Emergency Response Plan for purposes of an emergency situation and/or declared emergency.

The Policy Group may be established to receive information or reports during an emergency situation, and to provide any necessary policy direction to the EOCMT. The Act and Emergency Response Plan have assigned responsibility for management of emergency situations, so the Policy Group does not have responsibility for emergency management during an emergency situation, but

the Policy Group does have power under the Act to declare or terminate a declaration of emergency.

3.4 Councillors' Role

It is important for Councillors to understand and support the coordinated and timely management of information. The Head of Council and Councillors act as the Policy Group during the Township of North Dumfries EOC activation. The Policy Group may be established to receive information or reports during an emergency situation, and to provide any necessary policy direction to the EOCMT.

The main responsibilities of Councillor are to:

- Assist relaying approved information to area residents;
- Attend community or evacuee meetings;
- Reassure constituents;
- Support actions taking place in the community;
- Liaise back through Mayor concerns from within Wards; and
- Follow leadership and requests of the Mayor.

3.5 Emergency Operations Centre Management Team (EOCMT)

The Emergency Operations Centre Management Team (EOCMT) provides for the overall management and coordination of site support activities and consequence management and is responsibility for:

- Notifying response agencies and coordinating the activities of the various departments and organizations which are needed to effectively respond to and recover from the emergency;
- Providing support to the Incident Commander and site personnel;
- Collecting situational awareness information and prioritizing, evaluating, summarizing it, as well as disseminating and displaying it;
- Establishing priorities based on all the information gathered and developing EOC Incident Action Plans;

Schedule A By-law No. 2909-17
December 11th, 2017

- Obtaining, coordinating and managing payment of any additional resources (both personnel and equipment) needed to support the emergency;
- Coordinating all internal and external information including communicating emergency information to the general public; and
- Maintaining the day-to-day activities of the community outside of the emergency area.

The EOCMT is comprised of:

- EOC Commander
- Liaison Officer
- Risk Management/Safety Officer
- Operations Section Chief
- Planning Section Chief
- Logistics Section Chief
- Finance and Admin Section Chief

3.6 Regional EOC

Once the Regional Emergency Response Plan is implemented, the Mayor (or designate) and CAO (or designate) will become a member(s) of the Regional Emergency Control Group (RECG).

The EOCMT remains in the Municipality to manage the local emergency, while the RECG ensures a controlled and coordinated response for Regional services and community agencies which the Region has Memorandum of Understanding (MOU) with.

4. Implementation

This Plan can be implemented as soon as an emergency occurs, or is expected to occur, which is considered to be of such magnitude as to warrant its implementation. An official declaration of an "Emergency" does not have to be made for this Plan to be implemented to protect the lives and property of the inhabitants of the Township of North Dumfries.

When an emergency exists or appears imminent, but has not yet been declared, Township of North Dumfries employees may take such action(s) under this emergency response plan as may be necessary to protect the lives and property of the inhabitants of the Township of North Dumfries. It authorizes employees of the Township of North

Dumfries to respond to an emergency in accordance with the emergency plan where an emergency exists but has not yet been declared to exist.

Any of the Emergency Management Program Committee members outlined in section 4.1 may assume one or more responsibilities as the EOC is staffed and ramped up. They may receive an initial warning of a potential emergency and/or arrives first at the scene of an emergency and the feel the circumstances requires the support of the EOC.

EOCMT members will contact Cambridge Fire Department Communications Centre (Cambridge Fire Dispatch) to activate the EOC and have personnel assemble at the appropriate EOC location.

4.1 Township of North Dumfries EOC Notification System - (Fan Out)

Any of the following listed below have the authority to implement the Plan:

- North Dumfries Fire Chief / CEMC (or alternate)
- North Dumfries Chief Administrative Officer [EOC Commander]
- North Dumfries Director of Community Services
- North Dumfries Treasurer / Director of Corporate Services [EIO]
- Primary Alternate CEMC

4.2 Township of North Dumfries Emergency Operations Centre (EOC)

There is a primary and alternate location designated as the EOC. In the event of implementation of the Plan for a declared or undeclared emergency, EOC personnel will be notified to assemble at one of the designated locations.

The Region of Waterloo CEMC may be notified by the North Dumfries CEMC when the North Dumfries EOC is activated. The North Dumfries EOCMT may request the Region of Waterloo CEMC or designate to attend EOC.

4.3 Escalation of Emergencies in Waterloo Region

Each Municipality within the Region of Waterloo has agreed to use the following four emergency management response levels as a guide to be used before, during and following emergencies. Each level signifies the variation of the impact to the community caused by an emergency.

Schedule A By-law No. 2909-17
December 11th, 2017

Response Level	Actions	Criteria	Examples
Normal Operations	Normal response by operating departments and responders.	Routine operations	Small car accident, isolated flooding, small power outage, house fire
Level 1: Local ECG monitoring level	Key members of Local Emergency Control Group (ECG) notified Local ECG monitors Notification of all Community Emergency Management Coordinator (CEMC) in Waterloo Region	Incident contained within one Local Municipality First Response Protocol (FRP) may be activated Minor impact to citizens and environment Contained within inner perimeter Minor impact on resources	Apartment fire with displacements, contained hazmat, boil water advisory, active threat from person(s), helicopter crash
Level 2: Partial notification/ activation local ECG	Local ECG notified and on standby , key members of Local ECG may convene Notification of all CEMCs in Waterloo Region Regional ECG may be notified and on standby PEOC may be notified	Incident contained within one Local Municipality First Response Protocol (FRP) may be activated Significant impact to citizens, property and environment beyond the outer perimeter Significant media attention Significant demand on resources May affect multiple buildings	Chemical spill, multiple fire locations, multiple suspects/active threat on the move, city/township wide boil water advisory, isolated communicable disease outbreak
Level 3: Full activation local ECG	Local ECG convened . Notification of all CEMCs in Waterloo Region Regional ECG notified and on standby. May require Local emergency declaration. PEOC notified	Incident contained within one Local Municipality Possible activation reception/evacuation centre(s) Major impact to citizens, property and/or	Ice storm, tornado, chemical spill, commercial airliner crash, train derailment, large propane explosion, pipeline leakage, potable water emergency,

		environment beyond the outer perimeter Major media and/or public interest Major demand on resources Multiple buildings/incidents	epidemic, terrorism, large scale flood
Level 4: Regional emergency	Regional ECG convened. Notification of all CEMCs in Waterloo Region Local ECGs may continue to be in operation. May require Regional and/or Local emergency declaration. PEOC notified	Exceeds Local Municipal resources and capabilities May affect two or more Local Municipalities Possible activation reception/evacuation centre(s) Major impact to citizens, property and/or environment Major media and/or public interest Multiple sites/incidents The emergency affects or threatens Regional facilities or services	Level 3 examples that <ul style="list-style-type: none"> • Impact more than one Local Municipality; or • Is contained within one Municipality but has major Region wide impact; or • Impacts Regional services

5. Declaration and Termination of an Emergency

5.1 Prior to Declaration

When an emergency exists, but has not yet been declared, the Township of North Dumfries employees and first responders may take such action(s) under the authority of this Plan necessary to protect lives and property.

5.2 Declaration of an Emergency

The Mayor or Acting Mayor, as Head of the Council, is responsible for declaring that an emergency exists within the boundaries of the Township of North Dumfries. In declaring an emergency, the Head of Council will identify the geographical boundaries of the emergency area. The decision whether to declare an emergency and the designation of geographical boundaries of the emergency area will be made in consultation with the EOCMT.

The EOCMT will ensure that all personnel and Supporting Agencies concerned are advised of the declaration of the emergency.

Upon declaration of an emergency in North Dumfries, the Mayor (or the Head of Council) shall notify:

- a. The Solicitor General and Office of Fire Marshal and Emergency Management (OFMEM) by email or fax, through the Provincial Emergency Operations Centre (PEOC);
- b. Members of the Township of North Dumfries Council; and
- c. The Regional Chairman of the Regional Municipality of Waterloo.

The following may also be notified of a declaration of emergency:

- a. Local Member(s) of Provincial Parliament (MPPs);
- b. Local Member(s) of Federal Parliament (MPs);
- c. Local media; and
- d. The public.

5.3 Termination of an Emergency

When it has been determined by the EOCMT that the emergency should be terminated, the Mayor and/or Council will make an official termination of declared emergency in writing. The Premier of Ontario may also terminate an emergency at any time.

The EOC Commander will ensure that all personnel and Supporting Agencies concerned are advised of the termination of the emergency.

Upon termination of an emergency in North Dumfries the Mayor (or the Head of Council) shall notify:

- a. The Solicitor General and Office of Fire Marshal and Emergency Management (OFMEM) by email or fax, through the Provincial Emergency Operations Centre (PEOC);
- b. Members of the Township of North Dumfries Council; and
- c. The Regional Chairman of the Regional Municipality of Waterloo.

The following may also be notified of a termination of emergency:

- a. Local Member(s) of Provincial Parliament (MPPs);
- b. Local Member(s) of Federal Parliament (MPs);
- c. Local media; and
- d. The public.

6. Requests for Assistance

It is possible that assistance from other levels of government, or external partner agencies with specialized knowledge or expertise, may be required by the Township of North Dumfries to help successfully respond to an emergency situation.

Depending on the nature of the emergency and the assistance required, these agencies may be requested to attend the emergency site(s) and/or EOC to provide assistance, or provide information and advice to the EOCMT through the Liaison Officer.

6.1 Requesting Region of Waterloo Support

When the resources of the Township of North Dumfries are at capacity or there is a need for support from regional departments the designated member of the EOCMT may request further assistance from the Region of Waterloo by contacting the (acting) Regional Chair or (acting) Regional CAO (Chair RECG). Where required due to time restrictions, such requests can be made through the Regional CEMC who will submit the request to the appropriate Regional designate.

On request through the Region of Waterloo, several volunteer based organizations such as the Canadian Red Cross and St. John Ambulance may provide resources on a cost recovery basis as per Memorandum of Understanding (MOU). The Regional Community Services Department has signed these MOUs on behalf of the Region.

6.2 Requesting Provincial Assistance

Where provincial assistance is required, which is outside of the normal departmental or service working agreements, the request will be made to Office of the Fire Marshal and Emergency Management through the Provincial Emergency Operations Centre.

6.3 Requesting Federal Assistance

Requests for personnel or resources from the Federal Government are requested through the Provincial Emergency Operations Centre who in turn liaises with the Federal Government Operations Centre.

6.4 Support Agency Composition

When requested by the EOCMT, agencies work in support of the EOC and site and include but are not limited to the following representatives of external groups and organizations:

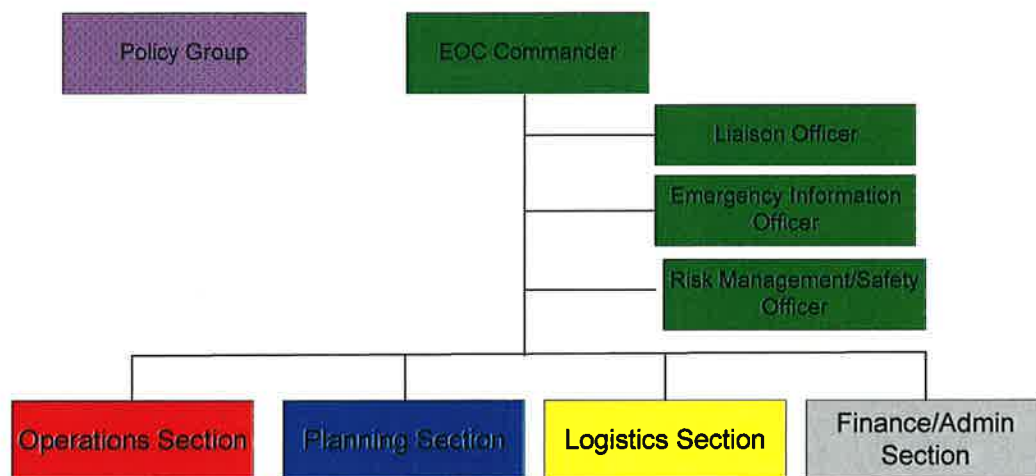

- Grand River Transit Services
- Union Gas and/or Enbridge Gas
- Enbridge Oil Pipelines
- Energy+
- Cambridge Memorial Hospital (CMH), St. Mary's or Grand River Hospital
- Grand River Conservation Authority (GRCA)
- CP Railway Police
- Radio Emergency Associated Communications Team (REACT)
- Society for the Prevention of Cruelty to Animals (Cambridge SPCA) and or Kitchener Humane Society
- Waterloo Region District School Board
- Waterloo Region Catholic District School Board
- Amateur Radio Emergency Services – (Cambridge & Kitchener)
- Mennonite Disaster Services
- Samaritan Purse
- Provincial and Federal Ministries as required ie MOECC, MTO, MNR

- Representatives from any other service organization or agency deemed necessary by the EOCMT

Support Agency representatives may be invited to attend EOCMT or site meetings as required.

7. Incident Management System

The Township's Emergency Response Plan adopts the principles of the Incident Management System (IMS). Based on five key functions that must occur during any emergency situation, IMS can be used for any size or type of emergency to manage response personnel, facilities, and equipment. Principles of the Incident Management System include the use of common terminology, modular organization, integrated communications, unified command structure, action planning, manageable span of control, and comprehensive resource management.

7.1 Incident Commander (Site)

The Incident Commander at site is responsible for and/or has the authority to:

- Establish a Unified Command structure for the purpose of information sharing, establishing objectives regarding emergency site management and prioritizing resources where applicable between the responding agency Incident Commanders;
- Designate an emergency site media coordinator;
- Implement the strategy established by the EOCMT at the emergency site(s), if required;

- d. Ensure that responding agencies make available the human and material resources that are required at the emergency site;
- e. Maintain a communication link with the EOCMT for the flow of information regarding the management of the emergency site;
- f. Maintain a record of events, decisions made and actions taken as Incident Commander;
- g. Participate in a debriefing with EOCMT regarding the emergency, if required; and
- h. Assist the CEMC in creating an after action report on the emergency.

7.2 Response Goals

The following response goals are applied to all emergency situations. In order of priority they are:

1. Provide for the health and safety of all responders.
2. Save lives.
3. Reduce suffering.
4. Protect public health.
5. Protect critical infrastructure.
6. Protect property.
7. Protect the environment.
8. Reduce economic and social losses.

7.3 Incident Management System Functions

Policy Group

Responsibilities of the Policy Group include:

- Providing overall policy direction.
- Changing/amending bylaws or policies.
- Requesting Regional and/or Municipal level assistance.

Schedule A By-law No. 2909-17
December 11th, 2017

- Declaration of an emergency.
- Termination of a declared emergency.
- Acting as an official spokesperson.
- Ensuring members of Council are notified of the emergency.
- Notifying the Mayors of adjoining municipalities of the emergency if required and providing any status reports.

EOC Management Team (EOCMT)

The primary responsibility of the EOCMT is to provide for the overall management and coordination of site support activities and consequence management issues. It is the responsibility of the EOCMT to ensure that response priorities are established, and that planning and response activities are coordinated, both within the EOC (i.e. between sections) and between site(s) and other EOCs.

The EOC Management Team consists of the following positions:

- EOC Commander
- Emergency Information Officer
- Safety Officer/Risk Management Officer
- Liaison Officer
- Operations Section Chief
- Planning Section Chief
- Logistics Section Chief
- Finance and Administration Section Chief

EOC Commander (Township CAO or designate)

- Overall authority and responsibility for the activities of the EOC.
- Sets out priorities and objectives in conjunction with the EOCMT members for each operational period and ensures they are carried out.
- Liaises with the Policy Group (Head of Council) and advise whether or not a declaration and termination of an emergency is recommended.

Schedule A By-law No. 2909-17
December 11th, 2017

- Designates the geographical boundaries of the emergency area.
- Authorizes the extraordinary expenditure of municipal funds during the emergency.
- Confirms the adequacy of the expenditure limits as identified in the purchasing by-law.
- Approves emergency information releases.
- Establishes procedures to be taken for the safety or evacuation of persons in an emergency area in partnership with other agencies as needed.
- Determines what sections are needed, assigns section chiefs as appropriate and ensures they are staffing their sections as required.
 - a) Operations Section Chief
 - b) Planning Section Chief
 - c) Logistics Section Chief
 - d) Finance Section Chief
- Determines which management staff positions are required and ensures they are filled as soon as possible.
 - Emergency Information Officer
 - Liaison Officer
 - Safety Officer/Risk Management Officer
 - Legal Advisor

Emergency Information Officer (Treasurer / Director of Corporate Services or designate)

- Establishes and maintains media contacts.
- Prepares news releases; coordinating interviews, news conferences, and/or media briefings based upon information approved for release by the EOCMT.
- Develops public information materials; providing messaging for use by customer contact centre and EOC staff.
- Establishes communications strategies for internal and external purposes.

Schedule A By-law No. 2909-17
December 11th, 2017

- Monitors media and information sources.
- Liaises and coordinates messages with other Emergency Information Officers.
- Ensures public safety information is provided in accessible formats as required by provincial legislation.

Public Inquiry Centre Coordinator

- Reports to the Emergency Information Officer.
- Manages the Public Inquiry Centre.
- Ensures tracking of inquires/questions from the public are recorded at the Public Inquiry Centre.
- Disseminates approved emergency information and messages to the Public Inquiry Centre personnel for public inquiries.

Risk Management/Safety Officer

- Identifies liability and loss exposures to personnel and property, and the municipality.
- Provides advice and assistance on matters related to law and how they may be applicable to the actions of the Township of North Dumfries during the emergency.
- Provides advice and assistance on matters related to occupational health and safety regulations for EOC personnel.
- Monitors, assesses, and recommends modifications to safety conditions in the EOC and halting unsafe operations, as necessary.
- Liaises and provides advice to site Safety Officer regarding health and safety issues for site personnel, as required.

Liaison Officer

- Invites required or requested agencies and stakeholders to the EOC, as identified by the EOC Commander and EOCMT and maintains contact when required.

- Provides input on the strategic direction and advice to the EOCMT regarding emergency management issues.
- Liaises with the neighbouring Municipal and Regional CEMCs, Office of Fire Marshal and Emergency Management and other provincial and federal representatives as required.
- In conjunction with the EOC Commander, facilitates a debriefing with the EOC personnel and other appropriate agencies or organizations and prepares an After Action Report on the emergency.

Operations Section

The Operations Section maintains direct contact with the site(s) and coordinates the overall site support response, in conjunction with other agencies and/or departments. The Operations Section is also responsible for gathering current situation information from the site and sharing it with the Planning Section and other EOCMT personnel, as appropriate; coordinating resources requested from the site level; and directing deployment of all EOC issued resources to the Incident Commander.

Operations Chief (Director of Community Services or designate)

- Ensures coordination of the Operations function including supervision of the various Branches required to support the emergency event.
- Ensures that operational objectives and assignments identified in EOC Action Plans are carried out effectively.
- Establishes the appropriate level of Branch and Unit organizations within the Operations Section, continuously monitoring the effectiveness and modifying accordingly.
- Consults with Planning Chief to clearly define areas of responsibility between the Operations and Planning Sections.
- Maintains a communications link between Incident Commanders (sites), and the EOC for the purpose of coordinating the overall response, resource requests and event status information.
- Ensures that the Planning Section is provided with Branch Status Reports and Incident Reports.

- Conducts periodic Operations briefings for the EOC Commander and EOC Management Team, as required or requested.
- Approves special resource requests and/or obtains the EOC Commander's approval of critical and extra-ordinary resources.
- Supervises the Operations Section.

Branch Coordinators

Branch Coordinators oversee the operations of a particular Township department, division, section or outside agency. A Branch Coordinator will be responsible for coordinating the activities of their department/agency site personnel and dispatch centre (if one exists). Additional Branch staff may be needed, dependent on the size of the emergency event and the support required. Branch Coordinators may include, but are not limited to:

North Dumfries Fire Branch Coordinator

- Establishes ongoing communications with Fire Site Commander.
- Provides a site Incident Commander as designated by the EOCMT.
- Arranges and coordinates fire suppression, as well as hazardous materials support operations.
- Coordinates fire branch activities with fire site personnel and fire dispatch centre.
- Liaises with the Waterloo Region Fire Coordinator about the emergency.
- Liaises with the Office of the Fire Marshal and Emergency Management (OFMEM) for any additional fire service assistance or resources required.
- Acquires and coordinates all fire mutual aid resources, as necessary.
- Ensures an appropriate level of continuous service to the unaffected part of the township in accordance with legal obligations and available resources.

Schedule A By-law No. 2909-17
December 11th, 2017

- Advises and provides consultation on the issue of evacuation relative to the number of citizens involved, and/or the size of the geographical area involved, which falls under the jurisdiction of the Fire Service.
- Assists in the alerting of persons endangered by the emergency.
- Implements the objectives of the EOC Action Plan assigned to the Fire Branch.
- Completes and maintains Branch Status Reports throughout the emergency.
- Maintains status of unassigned fire and HAZMAT resources.
Provides routine status reports to the Operations Section Chief.

North Dumfries Community Services Branch Coordinator

- Coordinates Community Services Branch activities with Recreation and Public Works site personnel and Regional Community Services Branch.
- Coordinates parks, forestry, cemeteries, facilities and maintenance operations during the emergency.
- In conjunction with the Regional Community Services Branch, set-up suitable Reception Centres, as required.
- Ensures personnel are notified to open and assist with the operations in Reception Centres.
- In conjunction with the Regional Community Services Branch and the SPCA, coordinates animal control operations at Reception Centres, as required.
- Provides routine status reports to the Operations Section Chief.
- Places all required Public Works and Recreation employees on appropriate shifts upon being notified of activation of the Plan.
- Advises the EOCMT with information and advice on transportation, engineering, critical infrastructure and public works matters

including recovery and rehabilitation of Township services, fleet, and levels-of-service.

- Liaises with the Waterloo Region Commissioner of Transportation and Environmental Services and senior public works officials from neighbouring communities to ensure a coordinated response to transportation, engineering, water, wastewater, critical infrastructure and public works matters as required.
- Provides assistance to other municipal departments and external organizations and agencies as required.
- Provides equipment in support of emergency site.
- Liaises with utilities and agencies to discontinue, maintain, or restore any utility to consumers as required or determined by the EOCMT.
- Liaises with local community partners to provide special equipment, vehicles and personnel as required.
- Liaises with Ministry of the Environment & Climate Change and other relevant agencies and departments with respect to environment contamination.
- Liaises with local Conservation Authority (GRCA) with respect to water levels during times of flooding or anticipated flooding.
- Supports traffic control operations as required.
- Surveys all other infrastructure systems, such as roads, bridges, within the area.
- Ensures an appropriate level of continuous service to the unaffected part of the Township in accordance with legal obligations and available resources.
- Liaise with the Region for waste management issues including collection, processing and disposal.
- Coordinates debris removal services as required.

Schedule A By-law No. 2909-17
December 11th, 2017

- Arranges, as required, for the Chief Building Official (or alternate) to inspect and take appropriate action for the demolition of unsafe buildings or required remedial actions for unsafe buildings.
- Provides routine status reports to the Operations Section Chief.
- Coordinates asset management for roads, bridges, and storm water and facilities programs.
- Through coordination with the Region of Waterloo Water Supply operations, ensures adequate emergency water supply/pressure for effective fire suppression operations and Township needs
- Arranges for the provision of emergency potable water supplies and sanitation facilities in co-ordination with the Medical Officer of Health.
- Ensures the clearing of blocked passageways in coordination with the site Incident Commander, either inside or outside the emergency perimeter.
- Coordinates the removal of rubble for emergency response.

e) Township of North Dumfries Building Branch

- Provides and/or arranges for advice on the structural safety of buildings.
- Identifies and prioritizes damaged structures to be inspected.
- Coordinates building inspection personnel.
- Takes action to ensure the protection of the public including, but not limited to:
- Upon a completion of an application, issues required building/demolition permits to property owners;
- Prohibiting the use or occupancy of a building;
- Order a building to be renovated, repaired or demolished to remove an unsafe condition; and

- Take measures necessary to terminate the danger where a building is involved.
- Provides technical expertise regarding the construction of buildings, as required.
- Provides advice and assistance relating to the enforcement of municipal by-laws and property standards which may include:
- Enforces by-laws by investigating to determine if there is a violation(s) and will take the necessary measures to ensure the violation(s) is corrected (compliance obtained).
- Responds to citizen complaints and conducts proactive investigations.
- Contacts local utility companies for building demolition needs.
- Provides routine status reports to the Operations Section Chief.

f) Regional Police Branch Coordinator

- Ensures all necessary emergency services are notified as required.
- When legally required to do so, ensures an investigation is conducted and further ensures all other investigative agencies are notified and provides assistance as needed.
- Ensures a communication link is established between the RECG and the Police On-Scene Command Post.
- Provides the RECG with advice on public safety matters.
- Ensures persons endangered by the emergency are alerted and provides coordination of evacuation procedures, including traffic control on evacuation routes.
- Liaise with the Director of Community Services regarding the site(s) selected for reception centre(s) and the approximate time of arrival of the first evacuees.

Schedule A By-law No. 2909-17
December 11th, 2017

- Where time and circumstances permit, liaise and consult with the Region of Waterloo Commissioner of Community Services Division to ensure the initial designation of reception centres has occurred and meet the needs of the evacuees.
- Ensures a police presence is provided at the EOC, reception centres, holding areas and other facilities, as required.
- When required, assists the Incident Commander (IC) in fulfilling his/her responsibilities.
- Provides routine status reports to the Operations Section Chief.

g) Regional Paramedic Branch Coordinator

- When required, assists the Incident Commander (IC) in fulfilling his/her responsibilities.
- In conjunction with the IC, assesses the need and the initial request for (special) emergency resources at the emergency site, e.g., multi-patient units, support units, air ambulances, etc., and any other medical resources required.
- Liaise with hospitals for the efficient distribution of casualties through the Cambridge Central Ambulance Communication Centre (CACC) Dispatch.
- Notifies and requests assistance of the Ontario Ministry of Health and Long-Term Care, Emergency Health Services Branch through the Cambridge CCAC.
- Liaise with neighbouring Paramedic Services regarding areas of mutual concern which may include coverage issues, distribution of patients to area hospitals and any other issues needed in pre-hospital care.
- In conjunction with the IC, assess the need and initial request for on-site medical teams from hospitals and whether assistance is required from Police or other emergency services in providing transportation to the scene for these medical teams.
Note: Hospitals will not routinely provide on-site triage or medical teams. Medical assistance may be requested to deal with

Schedule A By-law No. 2909-17
December 11th, 2017

extraordinary instances such as prolonged and extensive entrapment, etc.

- Liaise with the Director of Transit Services in providing busses for low acuity patients.
- Liaise with the Commissioner of Public Health and Emergency Services (PHE)/Medical Officer of Health (MOH) regarding the evacuation of persons requiring ambulance or other stretcher transportation and assist with the organization
- Provides routine status reports to the Operations Section Chief.

h) Regional Public Health Branch Coordinator

- As a member of the RECG, acts as a coordinating link with the LHIN for all health services at the EOC, as appropriate.
- Liaise with the Provincial Ministry of Health and Long-Term Care (MOHLTC), Public Health Ontario (PHO), and the Local Health Integration Network (LHIN) as needed.
- Liaise and coordinate with community health care partners as needed, as part of the Public Health emergency response (e.g., physicians, hospitals, etc.).
- Provides advice and recommendations to the public on matters which affect the health of the community (e.g., boil water advisory, preventive measures for infectious disease outbreaks).
- Coordinates the health response to public health emergencies or emergencies with public health impacts (e.g., infectious disease outbreaks, contamination of the drinking water, etc.), according to Ministry of Health and Long-Term Care direction, the Ontario Public Health Standards, the Health Protection and Promotion Act, and/or other relevant legislation (e.g., Safe Drinking Water Act). The Public Health response would be aligned with the Regional emergency response.
- Liaise with the Commissioner of Transportation and Environmental Services (TES) to ensure the safety of drinking water and appropriate sanitation services.

- Liaise with the Commissioner of Community Services (CSD) and provide support specific to reception/evacuation centres, or other temporary lodging sites, in the areas of:
 - environmental health consultation (food, water safety, sanitation and infection control practices)
 - participation in intake of clients at a reception/evacuation centre;
 - infectious disease case management and surveillance; and
 - infectious disease outbreak control
- Provides routine status reports to the Operations Section Chief.

i) Regional Community Services Branch Coordinator

- Implements the Emergency Social Services (ESS) Plan that is aimed at providing services to those people displaced as a result of an emergency or disaster.
- Ensures reception centres are established, operated, staffed and closed, with the assistance of Public Health and Emergency Services (PHE) and designated volunteer agencies for the registration, feeding, care, clothing, welfare and shelter of persons using the centres.
- Liaise with North Dumfries Community Services Branch with respect to determining the location of the reception centre when using a Township of North Dumfries facility.
- Ensures that property representative(s) is/are notified when a public or private facility(s) is/are required as reception centre(s)
- Determines whether additional reception centres need to be opened.
- Liaise with the Chief of Police with respect to the establishment of reception centres and other areas of mutual concern.

- Liaise with the Commissioner of PHE/Medical Officer of Health on areas of mutual concern regarding operations in reception centres when requested by reception centre personnel including:
 - Food safety and water quality
 - General sanitation and health hazards
 - Infection prevention and control
 - Accommodation standards for emergency lodging
 - Assessment of the health risks of the affected community
- Liaise with Grand River Transit (GRT) for the provision of transportation of evacuees to and from reception centre.
- Provides routine status reports to the Operations Section Chief.

Planning Section

- Collects, processes, evaluates and displays situation information.
- Develops EOC Incident Actions Plans in coordination with other functions.
- Tracks the status of EOC issued resources.
- Maintains all EOC documentation.
- Conducts advance planning activities and makes recommendation for action.
- Obtains technical experts for the EOC, as required.
- Plans for EOC demobilization of personnel and resources.
- Facilitates the transition to the recovery phase.

Logistics Section

- Provides/acquires requested resources including personnel, facilities, equipment and supplies.
- Arranges access to technological and telecommunication resources and support.

Schedule A By-law No. 2909-17
December 11th, 2017

- Acquires and arranges resources for the transportation of personnel, evacuees and goods.
- Provides other support services such as arranging for food and lodging for workers within the EOC and other sites.

Finance and Administration Section

- Monitors the expenditure process, and response and recovery costs.
- Coordinates claims and compensation.
- Tracks and reports on personnel time.
- Develops service agreements and/or contracts.
- Oversees the purchasing processes.

8. Emergency Response Plan Supporting Documents

This section outlines supporting documents and/or plans to help support the emergency response and recovery issues. The following list does not cover all available documents; some may be added as needed i.e. hazard specific plans.

8.1 Emergency Notification Procedure

The Emergency Notification Procedure outlines the process for the Cambridge Fire Department Communications to notify EOC personnel to place them on alert or request that they respond to the EOC. The procedure also includes the confidential contact information for EOC personnel.

8.2 EOC User Manual

The EOC User Manual provides further information regarding the EOC facility including the staffing, physical layout, equipment, and resources available in the centre, as well as procedural material.

8.3 Emergency Operations Centre (EOC) and IMS Standard Operating Guidelines

This document outlines the procedures involved in activation and operation of the EOC facility. This includes details on the facility setup, guiding principles, managing information and resources, and roles and responsibilities for functions

within the Incident Management System. As a supplement to the Township of North Dumfries Emergency Plan, it provides information to enable EOC responders to fulfil their key responsibilities in managing an emergency situation.

8.4 Regional Level 2 ESS Emergency Social Services Plan

The aim of the Regional Level 2 Emergency Social Services Plan is to make provision for the efficient administration, coordination and implementation of the extraordinary arrangements and measures taken to protect the health, safety and welfare of the residents of North Dumfries during any emergency once they are outside of immediate danger as a result of an emergency or disaster. This response includes both city staff and external partner agencies that work to provide services including, but not limited to, shelter, food, clothing, emergency first aid, registration and inquiry, personal services, and financial assistance.

8.5 Community Pandemic Influenza Preparedness Plan (CPIPP)

This document describes how the Region of Waterloo Public Health, in collaboration with community stakeholders, will respond to an influenza pandemic.

9. Compensation for Losses

The Municipal Disaster Recovery Assistance (MDRA) program will help municipalities address extraordinary emergency response costs and damage to essential property or infrastructure like bridges, roads and public buildings, as a result of a natural disaster.

The Disaster Recovery Assistance for Ontarians (DRAO) program provides assistance to individuals, small businesses, farmers and not-for-profit organizations that have experienced damage to, or loss of, essential property as a result of a natural disaster.

For further information, visit the website of the Ministry of Municipal Affairs and Housing.

10. Emergency Response Plan Review and Maintenance

The Township of North Dumfries Emergency Response Plan (Plan) will be maintained and distributed by the Fire Chief/CEMC to the public via the Township of North Dumfries public website [www.northdumfries.ca]

The Plan will be reviewed annually by the Emergency Management Program Committee. The review and recommended revisions will be coordinated by the Fire Chief / CEMC.

The Plan shall be revised only by By-law; however, revisions to the appendices and minor administrative or housekeeping changes may be made by the Fire Chief / CEMC in consultation with the Chief Administrative Officer.

It is the responsibility of each person, agency, service or department identified within Plan to notify the Fire Chief / CEMC forthwith, of the need for any administrative changes or revisions to the Plan or supporting plans.

The Fire Chief / CEMC is responsible for maintaining a current confidential contact list for EOC personnel and Support Agencies.

Each Department and Support Agency involved with this Plan should prepare emergency response procedures or guidelines (i.e. Departmental Emergency Plan) outlining how it will fulfil its own internal responsibilities under this Plan during an emergency.

Each Department and Support Agency should designate a member of its staff to review, revise and maintain its own functional emergency response procedures or guidelines on a periodic basis.

10.1 Exercising of the Emergency Response Plan

At least one exercise will be organized and conducted annually by the Fire Chief / CEMC and EMPC in order to test the overall effectiveness of the Plan. Recommendations arising from the annual exercise shall be considered by the Fire Chief / CEMC and Emergency Management Program Committee for revisions to the Plan.

10.2 Plan Distribution

Copies of the Emergency Response Plan will be provided to EOC personnel, partner organizations and agencies, the Province, and bordering municipalities and regions that may have a role to play in responding to or providing assistance for emergencies in North Dumfries.

Schedule B By-law No. 2909-17

**Emergency Management Program Committee
Terms of Reference**

Goals

As a provincially mandated body the Emergency Management Program Committee oversees the implementation and operation of the Township's Emergency Management Program as required by the *Emergency Management and Civil Protection Act*.

Objectives

The committee ensures the continual development of programs to increase municipal preparedness, improve municipal emergency response, mitigate risks and hazards, and recover from emergencies.

The committee shall conduct an annual review of the municipality's emergency management program and shall make recommendations to Council for its revision if necessary.

Membership

Chief Administrative Officer
Fire Chief / CEMC
Treasurer / Director of Corporate Services
Director of Community Services
Primary Alternate CEMC

For alternates see Appendix I Membership List.

Co-Chairs

Chief Administrative Officer
Fire Chief / Community Emergency Management Coordinator (CEMC)

Meetings

Meetings may be held quarterly or as needed.

Minutes

Minutes will be taken and shared via email to all members. Minutes will be reviewed for approval at the start of each meeting.

Accountability

This is a standing committee required by the provincial *Emergency Management and Civil Protection Act* and approved by Council.

This committee is accountable to Council and shall advise Council on the development and implementation of the municipality's emergency management program as required.

Agenda

The agenda will be prepared by the Fire Chief/CEMC in consultation with the committee members.

Attendance

If the primary representative cannot attend they should send a suitable alternate.

Quorum

At minimum 50% plus 1 of the Membership must be represented.
